Oh I wish that I could hurt that way again  
At least I had you every now and then  
In between the sorrow at least there always was  
tomorrow  
And as long as there's tomorrow there's no end  
Oh I wish that I could hurt that way again

Oh I wish that we could play that game again  
Even though I'd always lose and you would win  
Times you would desert me how the emptiness would  
hurt me  
But your coming back was always worth the pain  
Lord I wish that I could hurt that way again

I'd love to hear you tell me you don't need me anymore  
Just like you used to tell me everyday  
And I'd love to watch you leaving like a hundred times  
before  
At least my eyes could see you walk away

Oh I wish that I could hurt that way again  
At least I had you every now and then  
In between the sorrow at least there always was  
tomorrow  
And as long as there's tomorrow there's no end  
Oh I wish that I could hurt that way again
