She played easy to get
Never gave me less
Than her very best
She couldn't love me anymore

When she held me tight
Night after night
Even if she tried
She couldn't love me anymore

She would have followed me anywhere
But I was just leading her on
I never knew I had a good thing going
And just kept? 'til she was gone

Oh no

When she found the man who understands
And she lost her heart to him
She couldn't love me anymore

Oh oh no she couldn't love me anymore

I used to turn my back on her
Just to hear her beg me to stay
I always thought she'd come running
Until she walked away

Oh no

Now she holds him tight
Night after night
And even tried
She couldn't love me anymore

No oh
She couldn't love me anymore

The last time she told me was

She couldn't love me anymore

Even if she tried
She couldn't love me anymore
