While we were watching
California,
Massachusetts
Slid into the sea.
And how does the world renew?
And how does the world renew?
I'm going to blame you.

The night capsized
And disappointed, lies
Then mutters, crawls
Away, disguised.
And how does the world renew?
And how does the world renew?
I'm going to blame you.

C'EST TU J'ACCUSE!
I'm gonna blame you...
I'm gonna blame you...
C'EST TU J'ACCUSE!
I'm gonna blame you...
I'm gonna blame you...

Pawnbrokers behind
Bullet-proof glass
Delight at what
We sold back
And how does the world renew?
And how does the world renew?
I'm going to blame you

C'EST TU J'ACCUSE!
I'm gonna blame you...

I'm gonna blame you...
C'EST TU J'ACCUSE!
I'm gonna blame you...
I'm gonna blame you...

Broken teeth and bloody gums
Paperbacks and blackened lungs
Black-market zero-sum

Run your mouth and run the numbers,
Sitting at the bar, laconic,
Requesting one more gin and tonic
And another mistake to mimic --
You're conflicted, but who isn't?

Our spines align
Like lines that rhyme
We elide beside,
Entwined, in time
And how does the world renew?
And how does the world renew?
I'm going to blame you.

C'EST TU J'ACCUSE!
I'm gonna blame you...
I'm gonna blame you...
C'EST TU J'ACCUSE!
I'm gonna blame you...
I'm gonna blame you...
