Don't lie to me
Even if it's gonna make me cry
Say what you mean
Even if it hurts me deep inside
We've been good friends for years and I hold that dear
But you cannot end this night
Without giving me a chance to tell ya
How I feel inside

So you're seeing her
What's this the, third or second date?
Is it serious?
If it is your making a big mistake
Can you be truthful when
Your alone with her and look into her eyes
If you tell me that you don't think of me
It would come as a surprise

Can you tell me that I'm not her
Say I'm not the one who completes your world
Who should share your name, who should wear your
ring
When I've always been your girl
Can you tell me I'm not the one
To be the mother of your unborn son
May not have the tie but there's no denyin' that you feel
the same
'Cause I've always been your girl

Oh, listen to me
And don't you dare say it's too late
Now honestly
You know she's only a passing face
I am your meant to be, your eternity
Shouldn't settle for anything less
She may have your body but I own your heart
To ignore this you'll regret

Can you tell me that I'm not her
Say I'm not the one who completes your world
Who should share your name, who should wear your
ring

When I've always been your girl
Can you tell me I'm not the one
To be the mother of your unborn son
May not have the tie but there's no denyin' that you feel
the same
'Cause I've always been your girl, girl, your girl

I am your meant to be, your eternity
Shouldn't settle for anything less
She may have your body but I own your heart
To ignore it you'll regret

Can you tell me that I'm not her
Say I'm not the one who completes your world
Who should share your name, who should wear your
ring
When I've always been your girl
Can you tell me I'm not the one
To be the mother of your unborn son
May not have the tie but there's no denyin' that you feel
the same

Can you tell me that I'm not her
Say I'm not the one who completes your world
Who should share your name, who should wear your
ring
When I've always been your girl
Can you tell me I'm not the one
To be the mother of your unborn son
May not have the tie but there's no denyin' that you feel
the same
'Cause I've always been your girl
