[Verse 1:]

I'm laying here in my bed, staring at the ceiling
Imagining that you're here . . . holding me,
See to have your heart in my possession would mean
everything,
But would you rather live loveless, or will you live for
me and . . .

[Chorus:]

What would you give, and
What would it take, for
You to show me, that, I'm worth all the love
Every tear
Will you fight for me until you win
I need to know
Am I worth it?

[Verse 2:]

Now I wanna' give you my all, but I don't know if it's too
soon,
See the heart doesn't understand time, it just does
what it wants to
See to have your heart in my possession would mean
everything
But would you rather live loveless or would you live for
me and . . .

[Chorus:]

What would you give, and
What would it take, for
You to show me, that, I'm worth all the love
Every tear
Will you fight for me until you win
I need to know
Am I worth it?

[Verse 3:]

Would you climb the highest mountain?
Would you swim the deepest sea?
Would you put your life on the line?
I need to know, would you do this for me?
Am I worth the late night phone call?
When you really wanna' be asleep

Am I worth you giving it your all?
'Cause you're worth it to me

[Chorus:]

What would you give, and
What would it take, for
You to show me, that, I'm worth all the love
Every tear
Will you fight for me until you win
I need to know
Am I worth it?
