*[Verse 1:]*

I tried so many times but nothing happened,  
It seemed the task at hand was much too great for me.  
I spent my yesterdays wondering if tomorrow would be  
the same.  
I underestimated Your grace.  
But you loved me in spite of my ways  
And changed me.

*[Chorus:]*

Change  
That's the word that comes to mind when I think of all  
you've done for me.  
Oh, oh, change  
It's kinda' strange how people say that I act so  
differently  
Oh, oh change  
Every passing day I find it easier to say...  
"What a wonderful change in me."

*[Verse 2:]*

Now I find myself staring in the mirror  
Taking inventory of the things I see.  
I never realized that there was so much missing deep  
inside  
Until you took control of my life.  
Like an eagle now I can fly  
Cause you changed me.

*[Chorus:]*

Change  
That's the word that comes to mind when I think of all  
you've done for me.  
Oh, oh, change  
It's kinda' strange how people say that I act so  
differently  
Oh, oh change  
Every passing day I find it easier to say...  
"What a wonderful change in me."

*[Bridge:]*

And everyday I pray that you'll open my eyes to see  
things your way

Cause I wanna love like you,  
Walk like you,  
Live like you.  
Whatever you have to do  
Even if you change me Lord.

*[Chorus:]*

Change  
That's the word that comes to mind when I think of all  
you've done for me.  
Oh, oh, change  
It's kinda' strange how people say that I act so  
differently  
Oh, oh change  
Every passing day I find it easier to say...  
"What a wonderful change in me."
