Oooooohhhhhh.....yeeeeaaaah
Imagine seeing him on the town,
Holding another hand.
She's starin' me down,
So I figured that he told her who I am.
But it don't matter either way,
What they do or say cause aint nothin' changed.
He's standing with her, but his soul is calling out my
name.

In my mind, I'll always be his lady.
In my mind, I'll always be his girl.

Saw his momma just the other day,
Said he'd been through a spell (well,well).
Had a bad break up, thinks he's on his way up, it's
hard to tell.
She said I think it'd do some good if you called 'em
every now and then.
You see he's been through some thangs and I'm
thinking he could really use a friend.

In my mind, I'll always be his lady (I'll always be.)
In my mind, I'll always be his girl.
Only time can tell if I'm his lady.
But in my mind, I'll always be his girl.

They say if you love something, you've got to let it go.
And if it comes back, then it means so much more.
But if it never does, then at least you will know,
That it was something you had to go through to grow.

In my mind,(in my mind) I'll always be his lady (I'll
always be his lady.)
In my mind, I'll always be his girl.
I don't care what nobody else say.
Only time will tell if I'm his lady (awww yes it will, yes it
will.)
But in my mind, I'll always be his girl.

Always feel this way about ya,
Always be your lady,

In my heart, in my mind.
In my heart, in my mind.
In my soul, in my mind.
Baby you should know,
You're in my thoughts, in my mind.
You're in my prayers, in my mind.
IÂ'll always keep you there.

Yeah, yeah, yeah.
Yeah, yeah, yeah.
