In a perfect world  
One we've never known  
We would never need  
To face the world alone  
They can have their world  
We'll create our own  
I may not be brave or strong or smart  
But, somewhere in my secret heart

I know  
Love will find a way  
Anywhere I go, I'm home  
If you are there beside me  
Like dark  
Turning into day  
Somehow, we'll come through  
Now that I've found you  
Love will find a way

I was so afraid  
Now, I realize  
Love is never wrong  
And, so, it never dies  
There's a perfect world  
Shining in your eyes  
And, if only they could feel it, too  
The happiness I feel with you

They'd know  
Love will find a way  
Anywhere we go, we're home  
If we are there together  
Like dark  
Turning into day  
Somehow, we'll come through  
Now that I've found you  
Love will find a way

I know  
Love will find a way  
Anywhere we go, I'm home  
If we are there together

Like dark  
Turning into day  
Somehow, we'll come through  
Now that I've found you  
Love will find a way  
I know love will find a way  
I know love will find a way
