My shattered dreams and broken heart
Are mending on the shelf
I saw you holding hands
Standing close to someone else
Now I sit all alone
Wishing all my feeling's gone
I gave my best to you
Nothing for me to do
But have one last cry

One last cry
Before I leave it all behind
I gotta put you out of my mind this time
Stop living a lie
I guess I'm down to my last cry
Cry...

I was here, you were there
Guess we never could agree
While the sun shines on you
I need some love to rain on me
Still I sit all alone
Wishing all my feeling was gone
I gotta get over you
There's nothing for me to do
But have one last cry

One last cry
Before I leave it all behind
I gotta put you out of my mind
For the very last time
I can't live a lie

I know I gotta be strong
Cause 'round me life goes on and on
And on, and on...

One last cry
Before I leave it all behind
I gotta put you out of my mind
This time I've been living a lie

I guess I'm down
To my last cry

One last cry
Before I leave it all behind
I gotta put you out of my mind
This is gonna be the last time
No more lies
I guess I'm down
I guess I'm down
I guess I'm down
To my last cry...
