You fill me up like a bathtub
You swallow my body as the bubbles come up
You're like a cup of chocolate stuff
You're dark and deep and just sweet enough
You've got what I love

Slide your soap down my spine
Up my legs into my mind
I've been thinking bout you baby
For such a long time
Pour your water on my honey
Wash my body with your wine
All I want is to be with you all the time

You fill me up like a bathtub
You swallow my body as the bubbles come up
You're like a cup of chocolate stuff
You're dark and deep and just sweet enough
You've got what I love
