Sail away my love be my sailor

Sail away my love be my sailor out on the wharf
Go away my love push off from the dock
So I'll miss you my love
So I'll miss you my love

Set your traps down by the rock
Don't forget to bait your hook
I want a big fish when you return
When you return my love

Throw out your line
Your lure's bright but they still see your lies
Go away my love
So I'll miss you my love

Sail away my love be my sailor out on the wharf
Go away my love push off from the dock
So I'll miss you my love
So I'll miss you my love

Sail away sail away sail away
