Visit "[Bird Song](#)" on MotoLyrics.com

I hear a bird chirping, up in the sky
I'd like to be free like that spread my wings so high

I see the river flowing water running by
I'd like to be that river see what I might find

I feel the wind a'blowing slowly changing time
I'd like to be that wind I'd swirl and shape the sky

I smell the flowers blooming opening for spring
I'd like to be those flowers open to everything

I feel the season change the leaves, the snow, and sun
I'd like to be those seasons made up and undone

I taste the living earth the seeds that grow within
I'd like to be that earth a home where life begins

I see the moon a'rising reaching into night
I'd like to be that moon a knowing, glowing light

I know the silence as the world begins to wake
I'd like to be that silence as the morning breaks
