For sale: broken heart for sale.
Needs tender loving care; if you need a spare.
This broken heart's for sale.

Blue; if you like the shade of blue.
Make an offer: you can't lose.
I know it's tried and true.

You might find the missing pieces.
If you love it and don't leave it.

For sale: broken heart for sale.
Needs tender loving care; shows a little wear.
Got a broken heart for sale.

Instrumental.

You might find the missing pieces.
If you love it and don't leave it.

For sale: broken heart for sale.
Needs tender loving care; shows a little wear.
Got a broken heart for sale.

Needs tender loving care; if you need a spare.
Got a broken heart for sale.
