I want a high-heeled woman  
To make me feel small  
I want a long-legged woman  
I like em nice and tall  
She'd be kicking up dirt  
And picking up trouble  
I want a high-heeled woman  
You've got to reach up to cuddle  
Give me that black-strapped, sling-back, patten leather  
mamma  
I want a high-heeled woman  
She'd make me holler

Well I'm a hard working man  
I don't make much money  
When my paycheck comes in  
I can't waste one penny  
But if you come home wearing red pumps of leather  
Your feet catching fire making my whole day better  
I'll spend all my money on your feet honey  
I'll be your shoe sugar pappa  
Buy you high-heels forever.
