The time I like is the rush hour, 'cos I like the rush
The pushing of the people, I like it all so much
Such a mass of motion, do not know where it goes
I move with the movement and ... I have the touch

I'm waiting for ignition, I'm looking for a spark
Any chance collision and I light up in the dark
There you stand before me, all that fur and all that hair
Oh, do I dare ... I have the touch

Only, only
Wanting contact
Only, only
I'm wanting contact
Only, only
I'm wanting contact with you
Shake those hands, shake those hands
Give me the thing I understand
Shake those hands, shake those hands
Shake hands, shake hands.

Any social occasion, hello, how do you do
All those introductions, I never miss my cue
So before a question, so before a doubt
My hand moves out and ... I have the touch

Only, only
Wanting contact
Only, only
I'm wanting contact
Only, only
I'm wanting contact with you
Shake those hands, shake those hands
Give me the thing I understand
Shake those hands, shake those hands
Shake those hands

Pull my chin, stroke my hair, scratch my nose, hug my
knees
Try drink, food, cigarette, the tension will not ease
I tap my fingers, fold my arms, breathe in deep, cross

my legs
Shrug my shoulders, stretch my back, but nothing
seems to please

I need contact
I need contact
Nothing seems to please
I need contact
Tac-tacatac, tac-tacatac
I need contact
Nothing seems to please
I need contact
Tac-tacatac, tac-tacatac
I need contact
Ah, tac-tacatac
I need contact
Nothing seems to please
I need contact
I need contact.
