Love...

I used to think that I know why we need this
I just assumed that weren't always be fine
Now I don't think that we last the feeling
But we.. let everything build up inside

It's only love
But love.. should make us strong
It's only love
But love.. has been hurting so long

What a challenge.. honesty
What a struggle to learn to speak
Who would've thought that pretending was easy

It's only love
But love.. should make us strong
It's only love
But love.. has been hurting so.. long

And it's all, it's hard on me
It's tearing my heart off me
Love..
And it's all, it shouldn't be
Hoping to learn only
Love..

Love..

There's a party here on china beach
Still a pile I don't know
Tell me.. is the ocean a gift or a thief
The ocean let go..

It's only love
But love.. should make us strong
It's only love
But love.. has been hurting so.. long

And it's all, it's hard on me
It's tearing my heart off me

Love..
And it's all, it shouldn't be
Hoping to learn only
Love..

Only.. only love.. love..
Only love.. love..
