Ooh, listen
Let it go
Hmm let it go
Everything

I believe it's all inside you
All the answers
Stripped it down
And see the light cut
Through the cry
I believe it takes a moment
Just to know it
Listen to the wind

Let go of the fear
Let go of everything
Let go of what's real
Love will find you

There you go, you're down again
Disbeliever
Hoping for a way to get through
Desire
Everything in life has shown you
It's so easy
Listen to the wind

Let go of the fear
Let go of everything
Let go of what's real
Love will find you

Let go of the fear
Let go of everything
Let go of what's real
Love will find you

I believe it's all inside inside you
All the answers

Stripped it down and see the light cut
Through the cry
I believe it takes a moment,
Just to know it
Listen to the wind

Let go of the fear
Let go of everything
Let go of what's real
Love will find you

Let go of the fear
Let go of everything
Let go of what's real
Love will find you

Love, let go, let go, let go, let go
Ooh ooh ooh...
