Morning's breaking the rules
Waking up early to make love to the moon
It's full tonight who can blame her
Everybody wants to be part of the light
Part of the light

Meet me there on our mountain wave
We'll rise up
We'll light our own flame
We'll fall down to the glowing
Our river keeps flowing

Lightening hit the tower above your room
The crowded street shook and we made love under the
moon
Nothing could ever be the same
Grand St. sure lives up to it's name
What a funny way
To light up this sunny day
Hey Hey
