Puttin' everything off till tomorrow.
Gonna find the bottom of this bottle.
This here cowboy keeps me company.
Maybe he can ease my misery.

Never had a broken heart till you.
At least you gave me somethin' new.
If this is love then no thank you!
'Cause I've never had a broken heart till you.

I know they say love is blind.
Turned out to be the runnin' kind.
My friends are worried 'bout my state of mind.
Thanks to you, honey, and the wine.

Never had a broken heart till you.
At least you gave me somethin' new.
If this is love then no thank you!
'Cause I've never had a broken heart;
Never had a broken heart;
Learnin' how to fall apart's all new.
No, I've never had a broken heart till you.

Puttin' everything off till tomorrow.
Gonna find the bottom of this bottle.
This here cowboy keeps me company.
Maybe he can ease my misery.

Never had a broken heart till you.
At least you gave me somethin' new.
If this is love then no thank you!
'Cause I've never had a broken heart;
Never had a broken heart;
Learnin' how to fall apart's all new.
No, I've never had a broken heart till you.
Till you.
