(Duet with Eskobar on their new LP)

Eskobar :
So is it goodbye?
Is it time to set you free?

Heather Nova :
Is it time to let it fly?

Heather nova & Eskobar :
Is it time to let it bleed

Eskobar :
We used to take turns
To cover up the pain

Heather Nova :
Deep below it burns
And the fellin' still remains

Eskobar :
You're gonna find someone new
I really hope you do
'Cause I love you
And the sun will come on thru,
It's gonna shine for you
'Cause I adore you

Eskobar :
Yes we gave it a try

Heather nova & Eskobar :
But maybe for too long
Out of every sorrow
Another day will dawn

Eskobar :
You're gonna find someone new
I really hope you do
'Cause I love you
And the sun will come on thru,

It's gonna shine for you
'Cause I adore you

Heather Nova :
And the road travels on
But I'm still near you
In my life, like a song
I will still hear you
Still

Eskobar :
You're gonna find someone new
I really hope you do
'Cause I love you

You're gonna find someone new
I really hope you do
'Cause I love you
And the sun will come on thru,
It's gonna shine for you

Heather nova & Eskobar :
'Cause I adore you

Eskobar :
You're gonna find someone new
I really hope you do
'Cause I love you
And the sun will come on thru,
It's gonna shine for you

Heather nova & Eskobar :
'Cause I adore you

Heather nova & Eskobar :
Sun will shine for you
'Cause I adore you
Sun will shine for you
'Cause I adore you
Sun will shine for you
'Cause I adore you
Sun will shine for you
Sun will shine for you
'Cause I adore you
