For sale, broken heart for sale
Needs tender loving care
If you need a spare
This broken heart's for sale

Blue, if you like the shade of blue
Make an offer, you can't lose
I know it's tried and true

You might find the missing pieces
If you love it and don't leave it

For sale, broken heart for sale
Needs tender loving care
Shows a little wear
Got a broken heart for sale

You might find the missing pieces
If you love it and don't leave it

For sale, broken heart for sale
Needs tender loving care
Shows a little wear
Got a broken heart for sale

Needs tender loving care
If you need a spare
Got a broken heart for sale
