Never thought I'd need you, baby, like I need you now.
Never thought you'd leave me here, well now the rain's
a-comin' down.

I'd cross an endless ocean to prove my love.
'Cause you're the only one I'm thinkin' of.

Ooh, ooh, baby.
Ooh, ooh, when you coming home to me?
Ooh, I need you, baby.
When you coming back, coming back to me?

No more lovin' in the mornin' like we used.
Followed by a cigarette.
A little brandy in my coffee now,
Helps me swallow my regret.

Ooh, ooh, baby.
Ooh, ooh, when you coming home to me?
Ooh, ooh, I need you, baby.
When you coming back, coming back to me?

Instrumental break.

Now I think of my mistakes I've made,
Never told you that I loved you, babe. (You never told
me.)

Give me a moment just to talk to you,
I'll make you want me like you used to, baby.

Ooh, ooh, baby.
Ooh, ooh, when you coming home to me, yeah?
Ooh, ooh, I need you, baby.
When you coming back, coming back to me? (When
you coming?)

Ooh, ooh, baby.
Ooh, ooh, when you coming home to me.
Ooh, ooh, I need you, baby.
When you coming back, coming back to me?
(When you coming back?)
(Coming back.)

(Coming back to me?)
