It ain't over till it's over and honey, I ain't through.  
You might be the one that's cryin', when I'm done with  
you.  
It might take forever; I'm gonna have my day.  
'Cause one thing's for certain, you won't ever be the  
same.

'Cause it ain't over till it's over,  
It ain't over till it's over.  
No, oh.  
It ain't over till I say we're through.

It might take a long time to settle all the scores.  
So don't be surprised, one day, if I'm standin' at your  
door.  
And if it takes a lifetime, honey, I'll find a way.  
'Cause I wanna take a picture of the look upon your  
face.

'Cause it ain't over till it's over,  
It ain't over till it's over.  
No, oh.  
It ain't over till I say we're through.

Friends say you got a girlfriend,  
She must be blinded by your eyes  
Will she make you answer?  
Does she listen to your lies?

Instrumental break.

They told me you were leavin', an' you wanna wish me  
well.  
I got a little message, baby: you can go to hell.

'Cause it ain't over till it's over,  
It ain't over till it's over.  
No, oh.  
It ain't over till I say we're through.

It ain't over till it's over,  
It ain't over till it's over.

No, oh.  
It ain't over till I say we're through.

No, it ain't over till I say we're through.
