(Ben Peters)

Whenever I chance to meet some old friends on the street

They ask me how does a wman get to be this a way
I've always got a smilin' face any time and any place
And everytime they ask me why I just smile and say.

You've got to kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
Love her like a devil when you get back home.

--- Instrumental ---

Well, people may try to guess the secret of happiness
Some of them never learn it's a simple thing
The secret I'm speaking of is a woman and a man in love
The answer is in this song that I always sing.

You've got to kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
Love her like a devil when you get back home.

Kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
Love her like a devil when you get back home...
