How was I supposed to know I'd miss you,  
When I couldn't kiss you anymore.  
How was I supposed to know I'd need you,  
When I couldn't reach you on the 'phone.

And I never knew how much I loved you,  
Until I couldn't have you.  
To tell the selfish truth:  
I didn't want you,  
Until I couldn't have you.  
Until I couldn't have you.

All the times we should have spent together,  
I always had better things to do.  
Remember when I was your one and only,  
And now I'm here lonely, 'cause you found somebody  
new.

And I never knew how much I loved you,  
Until I couldn't have you.  
To tell the selfish truth:  
I didn't want you,  
Until I couldn't have you.  
Until I couldn't have you.

Here's to all the words I should have told you,  
Like I wanna hold you one more time.  
Here's to all the songs I should have sung you,  
Instead, I flung you into someone else's arms.

'Cause I never knew how much I loved you,  
Until I couldn't have you.  
To tell the selfish truth:  
I didn't want you,  
Until I couldn't have you.  
Until I couldn't have you.

Until I couldn't have you.

I didn't want you,  
Till I couldn't have you.

I didn't want you, no,  
Till I couldn't have you.  
Oh until I couldn't have you.

I didn't want you, no,  
Till I couldn't have you.

To Fade.
