Come on, baby  
Try my love one more time  
Come on, baby  
Try my love one more time

Cause you said you loved me, baby  
'Bout to drive me out of my mind

Come on, baby  
Please come back where you belong  
Come on, baby  
Please come back where you belong

Cause you said you loved me, baby  
Now you left me all alone

Come on, baby  
Try my love once again  
Come on, baby  
Try my love once again

Cause when you get up and leave me  
Makes me think this is the end

Come on, baby  
Please come back where you belong  
Come on, baby  
Please come back where you belong
