Well, it's three o'clock  
In the morning, baby  
And I'm biding my time

Give us two more, mister waiter  
Got an awful lot on my mind  
Going back to Louisiana  
To the gal I left behind

Well, I been to Memphis, baby  
Kansas City too  
Never found a woman  
That could compete with you

Going back to Louisiana  
To the gal I left behind

Well, she's my kind of woman  
Just my size  
Gonna get a ticket  
Gonna move on down the line

Going back to Louisiana  
To the gal I left behind

Oh, well, she used to  
Live in Shreveport  
Then she moved  
Bet you ten to one  
She's gone to Baton Rouge

I'm gonna look her up  
If you know what I mean  
If I have to go as far  
As New Orleans

The night's talking to you  
You know that I  
Gotta find my baby  
I'm so lonesome, I could cry

Oh, well, she used to

Live in Shreveport  
Then she moved  
I'll bet you ten to one  
She's gone to Baton Rouge

I'm gonna look her up  
If you know what I mean  
If I have to go as far  
As New Orleans

The night's talking to you  
You know that I  
Gotta find my baby  
I'm so lonesome, I could cry

Going back to Louisiana  
To the gal I left behind

Going back to Louisiana  
To the gal I left behind
