Five o'clock in the morning  
And the sun's just starting to rise  
Been riding for days  
On this Greyhound cruiser  
And I ain't once closed my eyes

Been looking for something  
Familiar to show me  
I'm getting closer to home  
If I'd-a had me a little more money  
I coulda got a jet and flown

[CHORUS]

How much further, Mr. Bus Driver  
How much more time do I got to spend  
How much further, Mr. Bus Driver  
Got to get home to my baby again

Been away, way too long  
Since I held her in my arms  
Keep thinking about her  
And her touch, so soft and warm

I wish this bus was moving as fast  
As the beat of my heart  
I say a prayer, she'll be there  
When me and this bus do part

[Repeat CHORUS 3x]
