Take me home  
Send me on a ship  
My life leaves me  
Homesick

Home  
I forget myself  
Home  
I can't let myself  
Let myself go

Miss my baby bones  
I know the way they felt  
I've been aching  
For mother's milk

Home  
I forget myself  
Home  
I can't let myself  
Let myself go

And I wanna be only bereft  
And I wanna get smartest in my heart

Somebody to cut what I can't chew  
Fill me up like it fills the room

Got my big girl  
Body and shoes  
Sometimes lately  
Its hard to choose

Home (can't let myself go)  
I forget myself  
Home (can't let myself go)  
I can't let myself go  
Home (can't let myself go)  
I forget myself  
Home (can't let myself go)  
I can't let myself  
Let myself

Let myself  
Let myself  
Let myself go.
