My heart opened like an oyster shell
I drank salt water from your lips
And just below the equator
I swallowed the pearl

And I feel
And I feel
And I feel like I've just been born

And the sea rolled in and rose around us
Your face above me darkening the stars
And as the waves are breaking out along the reef
I dived for your heart, your heart

And I feel
And I feel
And I feel like I've just been born

Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Want you, yeah

Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
I want you, yeah

My heart opened like an oyster shell
I drink salt water from your lips
And just below the equator
I swallowed the pearl

And I feel
And I feel
And I feel like I've just been born

Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
I want you, yeah

Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Honey, honey, yeah, I want you
Want you, yeah

Honey, honey, yeah
Honey, honey, yeah
Honey, honey
Honey, honey
Honey, honey

Honey, honey, yeah
Honey, honey, yeah
Honey, honey
Honey, honey
