I don't know if I love you
Or if it's all in my head
I don't know if I love you
Though I know it's what I said
Ohh ohh ohh
I don't know

'Cause love is somethin' I don't understand
Can't explain, I can't hold in my hand
But I stay here tonight
And I'll keep the flame alight
Let's not talk about love

I don't know if I love you
Though I feel some pain
I don't know if I love you
Or if I'm playin' again
Ohh, ohh ohh
Ahh, oh no

'Cause love is somethin' I don't understand
Can't explain, I can't hold in my hand
But I stay here tonight
And I make you feel alright
Let's not talk about love

Ahh, raa raa raa raa raa raa raa
Ahh, raa raa raa raa raa raa raa
Raa
Here I stay here tonight
And I make you feel alright
Let's not talk about
Let's not talk
Let's not talk about love
