Many rivers to cross  
But I can't seem to find  
My way over

Wandering I am lost  
As I travel along  
The white cliffs of dover

Many rivers to cross  
And it's only my will  
That keeps me alive

I've been licked  
Washed up for years  
And I merely survive  
Because of my pride

And this loneliness won't leave me alone  
It's such a drag to be on your own  
My man he left me but he wouldn't say why  
Well I guess, I have to try

Many rivers to cross  
But just where to begin  
I'm playing for time

There'll be times I find myself  
Thinking of committing  
Some dreadful crime.

And this loneliness won't leave me alone  
It's such a drag to be on your own  
My man he left me but he wouldn't say why  
Well I guess, I have to try, yeah yeah

Rivers, rivers to cross  
Yeah yeah  
Rivers to cross
