I wanted to feel like a bird  
On the wings of time  
But it was not our time  
I wanted to lie for a while  
In the fields and dream  
But it was not to be  
Oh yeah 'cause

'Cause sometimes you got to let love go  
Even though it's hurtin', even though  
And sometimes you got to let love slide  
Out with the river, the river of life

I wanted to hold you so long  
In the dark till dawn  
But I could feel you go  
I wanted to sing in my head  
I could hear a song  
But it was not our song  
Oh yeah 'cause

'Cause sometimes you got to let love go  
Even though it's hurtin', even though  
Sometimes you got to let love slide  
Out with the river, the river of life  
The river of life

Sometimes you got to let love go  
Even though it's hurtin', even though  
Sometimes you got to let love slide  
Out with the river, the river of life yeah  
Sometimes you got to let love slide  
Out with the river, the river of life  
The river of life
