Try to see it my way  
Do I have to keep on talking  
Till I can't go on?  
While you see it your way  
Run the risk of knowing  
That our love may soon be gone

We can work it out  
We can work it out

Think of what you're saying  
You can get it wrong  
And still you think that it's alright  
Think of what I'm saying  
We can work it out and get it straight  
Or say good night

We can work it out  
We can work it out

Life is very short and there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime  
So I will ask you once again

Try to see it my way  
Only time will tell  
If I am right or I am wrong  
While you see it your way  
There's a chance that we might  
Fall apart before too long

We can work it out  
We can work it out

Life is very short and there's no time  
For fussing and fighting, my friend  
I have always thought that it's a crime  
So I will ask you one more time

Try to see it my way  
Only time will tell

If I am right or I am wrong  
While you see it your way  
There's a chance that we might  
Fall apart before too long

We can work it out  
We can work it out
