You can't live your life
like there's no tomorrow
Follow further next dream
Only you can know the answer
So what's it to be?

You're standing on the edge, yeah
Fail all your success, yeah
Don't give up the fight
Don't give up the fight
You owe it to yourself to try
Don't give up the fight
Don't give up the fight
It's never easy, but the strong survive

What do you see
when you look to the future?
Is it my sorrow and pain?
Look in yourself
'cause there's only one answer
So what's it to be?

You're standing on the edge, yeah
Fail all your success, yeah
Don't give up the fight
Don't give up the fight
You owe it to yourself to try
Don't give up the fight
Don't give up the fight
It's never easy, but the strong survive

Don't ever lie
make up your mind
So what's it to be?

Don't live your life
like it's trouble time
So what's it to be?

Don't give up the fight
Don't give up the fight
You owe it to yourself to try
Don't give up the fight
Don't give up the fight
It's never easy, but the strong survive

Don't give up the fight
Don't give up the fight
You owe it to yourself to try
Don't give up the fight
Don't give up the fight
It's never easy, but the strong, the strong they survive

We will survive

(Don't give up, no - don't give up)
(Don't give up, no - don't give up)
