You know this world can be so crazy
And peace is hard to find
And in the times of stress and worry
I'll ease your troubled mind
I'll ease your worried mind

And baby you know, every river that you cross
I'll be there with you all the way
Baby you know, every burden we will share
Joy or sadness
It won't matter to me
No I'll always be right there

I used to think I had to stand alone
With no one by my side
And even if I'm in a world unknown
You ease my troubled mind
You ease my worried mind

Every river that you cross
I'll be there with you all the way
Baby you know, every burden we will share
Joy or sadness
It won't matter to me
No I'll always be right there

This life can be unfair
At times it's hard to keep your faith
Baby you know, every burden we will share
Joy or sadness

It won't matter to me
No I'll always be right there

Took time but I found out
I knew just what I had to do
This time I have no doubt
Forever I'll put my trust in you
You...

Every river that you cross
I'll be there with you all the way
Baby you know, every burden we will share
Joy or sadness
It won't matter to me
No I'll always be right there

This life can be unfair
Sometimes it's hard to keep your faith
Baby you know, every burden we will share
Joy or sadness
It won't matter to me
No I'll always be right there

No, I'll always be right there
