Written by Heather Small and Peter Vettese
Produced by Peter Vettese
Published by BMG Music / EMI Music Publishing
Engineered and Mixed by Mark Evans
Keyboards and Programming by Peter Vettese and
Mark Evans
Strings arranged by Simon Hale

The pace is fast and the stakes are high
The game of life, yes we play this all the time
Don't take for granted all we had
Maybe we have come too far
Maybe a time for less, not more
I dare you to dance in the rain
And watch the sun rise today

Higher and higher in a rainbow sky
All the stars at night
Everybody sing
Nearer and nearer to the heart of everything
Once a voice unheard, now I hear every word
Of the days and nights we spent in the Garden of Eden

We start the race so full of hope
And then we find we've lost all sense of soul
Are we past the point of no return
We live a life of want, not need
Let's live a life of pride, not greed
I dare you to dance in the rain
And watch the sun rise today

Higher and higher in a rainbow sky
All the stars at night
Everybody sing
Nearer and nearer to the heart of everything

Once a voice unheard, now I hear every word
Of the days and nights we spent in the Garden of Eden

In the Garden of Eden

Higher and higher in a rainbow sky
All the stars at night
Everybody sing
Nearer and nearer to the heart of everything

Higher and higher in a rainbow sky
All the stars at night
Everybody sing
Nearer and nearer to the heart of everything
Once a voice unheard, now I hear every word
Of the days and nights we spent in the Garden of Eden

Take me higher
Bring me nearer
Take me higher
Bring me nearer and nearer

Take me higher
Bring me nearer
Take me higher
Bring me nearer
To the Garden
The Garden of Eden
