Engineered by Mark Evans  
Mixed by Phil Bodger  
Guitars by Robbie McIntosh (of The Pretenders)  
Keyboards & Programming by Peter Vettese and Mark Evans  
Strings arranged and conducted by Richard Niles  
I look around and I wonder  
How much pain does it take  
To admit to a failure  
I've made a mistake

I talk like I hate you  
I just need to be free  
I don't mean to hurt you but  
It's time to think about me

You say that you love me  
You're making me cry

You say that you need me  
But I'm not about to lie

Holding on to you  
Is as mad as it seems  
Holding on to you  
Is the end of my dreams  
Didn't know time could move so fast  
You and I were living in the past  
Holding on to you  
Is as mad as it seems  
Holding on to you  
Is the end of our dreams  
Didn't know time could move so fast  
Before you know we're living in the past

Holding on to you is letting go of me

Was I ever so foolish

I tried so hard to believe  
That you were the answer  
But I was deceived

I talk like I hate you  
But it just ain't the truth  
While love lies sleeping  
I'm gonna make my move

You say that you love me  
You're making me cry

You say that you need me  
But I'm not about to lie

Holding on to you  
Is as mad as it seems  
Holding on to you  
Is the end of my dreams  
Didn't know time could move so fast  
You and I were living in the past  
Holding on to you  
Is as mad as it seems  
Holding on to you  
Is the end of our dreams  
Didn't know time could move so fast  
Before you know we're living in the past

Cos holding on to you is letting go of me

It's time to step to the future baby

Don't look back you know it ain't easy  
When it's time for change  
To make new arrangements baby  
Don't look back  
You know I can't lie

There goes my dream  
You and I were living in the past

Holding on to you  
Is as mad as it seems  
Holding on to you  
Is the end of my dreams  
Didn't know time could move so fast  
Before you know it we're living in the past

'Cos holding on to you is letting go of me  
And I can't let go of me  
And I won't let go of me

It's time to step to the future  
I can do that baby

Make new arrangements baby  
Make new arrangements baby

Can't let go of me
