Heres room 546  
It's enuff to make u sick  
Bridgets all wrapped up in foil  
You wonder if, she'd get uncoiled

Here they come now, see them run now  
Here they come now, chealsea girls

Heres room one fifteen  
Filled with the sin them queens  
Magic marker round  
You wonder just how high they go

Here they come now, see them run now  
Here they come now, chealsea girls

Heres ?  
Ronna's treated him so mean  
She wants another scene  
She wants to be, a human being

Here they come now, see them run now,  
Here they come now, chealsea girls

Pat burr she's having fun  
She thinks she's some mans son  
Her perfect loves don't last  
Her future died, in someones past

Here they come now, see them run now,

Here they come now, chealsea girls

Dear ingrids' found her lick  
She's turned another trick  
Her treats and times reolve  
She's got problems to be solved

Here they come now, see them run now,  
Here they come now, chealsea girls

Drop out, she's in a fix

Amphetamine has made her sick  
White powder in the air  
She's got no bones  
And can't be scared

Here they come now, see them run now,  
Here they come now, chealsea girls

Here comes johny bore  
He collapsed on the floor  
They shot him up with milk  
And when he died, sell them for silk

Here they come now, see them run now,  
Here they come now, chealsea girls
