So you send them back
And I began to cry
But I can let you know
That I will let you go
You cover up your smile
And I'm afraid to move
This time I get it right
I'll get somebody new

You've got to sound that you mean it
(Ooooh, ooooh)
(Can you hear me)
You've got to mean that you want it
(Ooooh, ooooh)
(Can you hear me)
(repeat paragraph)

Hey, when did this all start
Your (?) stuff is your heart
And I have a night
When everything goes right
(?)
Too late to carry on
If I have a day
When everything goes wrong

You've got to sound that you mean it
(Ooooh, ooooh)
(Can you hear me)
You've got to mean that you want it
(Ooooh, ooooh)
(Can you hear me)
(repeat paragraph)

(?) on your door step every night
Until I get to see you
I spend my weekends on the phone
I'll make you listen
I'll write a letter every single day
Until I get an answer
I'm gonna try every single way

I know, I'm gonna find you

You've got to sound that you mean it

(Ooooh, ooooh)

(Can you hear me)

You've got to mean that you want it

(Ooooh, ooooh)

(Can you hear me)

(repeat until fade)
