A stab in the back.
Is worth waiting for tonight.
He's seen enough joy for today.

A sudden attack.
Would just start the evening right.
And maybe a penance to pay.

Thunder and lightning.
Electric machines.
These are the devils.
That shout in his dreams.

Chorus:
Double the pain.
He's strong and he will survive.
Double the pain.
It will make him come alive.
Double the pain.

Games of the heart.
Not fair and you can't win.
But torture and anger can play.
You've never said no.
To just another spin.
And losing is one step away.
Friendly confusion.
Like nothing you've seen.
There are the demons.
That shout in his dreams.

chorus

A slap in the face.
To bring him back around.
It's a touch-like cool morning rain.

He's fallen from grace.
And slammed to the ground.
And begs for more of the same.

Thunder and lightning.

Eccentric machines.
These are the devils.
That shout in his dreams.

chorus

Double the pain.
I'm sure I saw him smile.
Double the pain.
Let's kick him for a while.
Double the pain.
