

Heaven & Hell

"I"

I am anger
Under pressure
Locked in cages, a prisoner
The first to escape

I am wicked
I am legion
Strength in numbers, a lie
The number is one

I, I, I
Everything that I see is for me

Yes, I am giant
I'm a monster
Breaking windows in houses
Buildings of glass

Rebel, rebel
Holy outlaw
Ride together, don't try it
The power's in one

I, I, I
I am standing alone
But I can rock you
I, I, I
On the edge of the blade
But the knife can't cut the hero down

I am virgin
I'm a whore
Giving nothing, the taker
The maker of war

I'll smash your face in
But with a smile
All together you'll never
Be stronger than me

I, I, I
Right here on my own

But I still rock you
I, I, I
Don't follow behind
Just leave me on the outside

I, I, I
I am standing alone
But I can shock you
I, I, I
On the edge of the blade
But no one makes the hero bleed

No, no, no
No, no, no

I am hunger
(No, no, no)
Feed my head
(No, no, no)
All together you'll never
Never make the hero bleed
(No, no, no)
