Sometimes I think of only her
Sometimes no
I'm feeling delicate and
This must show

I'm so confused I'm so confused
I'm so confused I'm so confused

I like to do stuff but I
Best go slow
I look around nowadays but
I don't know

I'm so confused I'm so confused
I'm so confused I'm so confused

I think maybe I should just stay alone
But I'm too young to just stay home

I have to sigh now
Hah
I have to sigh-now
Hah

I must stay honest and
Not play apart
So when I meet someone
I say right at the start

I'm so confused I'm so confused
I'm so confused I'm so confused

(You're thinking too much)
I know
(You're thinking about this too much)
I know

I have to sigh now
Hah
I have to sigh now
Hah

I?m so confused I?m so confused
I?m so confused I?m so confused
