There is a snake with the evil  
In the Garden of Eden  
There is a tree with the apple  
And the apple was eaten  
Now the trouble has started  
In the Garden of Eden  
But there is only two people  
And it's evil believing

Where did Adam go ?  
And how was Eve to know ?  
This is how it all started  
In the Garden of Eden

Now what does it matter,  
That the apple was eaten ?  
What does it matter,  
That the people were leaving ?  
Let me tell you the truth now  
About the trouble and (?)  
(?)  
(?) deceiving

Where did Adam go ?  
And how was Eve to know ?  
This is how it all started  
In the Garden of Eden

Where's that snake ?  
(repeat)

I fell down on my knees  
And I searched through the trees  
Oh, I need some assistance  
Can you hear from that distance  
So I set up my (?)  
Can I dance with your daughter ?  
He said: '(?) you want, son, but I don't think you (?) her'

Where did Adam go ?  
And how was Eve to know ?

This is how it all started  
In the Garden of Eden  
Where did Adam go ?  
And how was Eve to know ?  
There is a snake with the evil  
In the Garden of Eden  
Where did Adam go ?  
And how was Eve to know ?  
This is how it all started  
In the Garden of Eden
