chorus:

Were American Angelz
And we know what we go
and what we got,
there's no stoppin to and

watch out cause were comin to you
and theres nothin you can do about it.

Cause were american,
and we are angelz to.
and were as tough as can be,
so you betta listen up.
Were gonna rock n roll,
and we will pop it up,
pop it up, so you betta listen up.

Chorus:

Were red white blue,
but were gold to you,
so were worth alot to listen to and,

Watch out cause were comin to you,
And there's nothin you can do about it.
