His friends would say stop whining,
They had enough of that,
his friends would say stop pining,
theres other girls to look at,
they tried to set him up with Tiffany and Indigo,
But there's something Mary that they dont know.

Mary.... theres just something about Mary

Well his friends say: "Look lifes no fairytale."
Then he should have some fun he had suffer long
enough,
Well they may know about demestic and importaed ael.
But they dont know a thing about love.
well his friends would say hes dreaming and living in
the past
but they never fallin love so his friends need not be
asked
hes friends would say be reasonable his friends would
say let go.
But there's something about mary that they dont know.
