Once there was a day
We were together all the way
An endless path unbroken

But now there is a time
A torture less sublime
Our souls are locked and frozen

Once we were years ahead
But now those thoughts are dead let me go
(Let me go)
All hopeless fantasies are making fools of me, let me
go

I walk alone and yet I never say goodbye, let me go
(Let me go)
A change of heart, a change of mind
And heaven fell that night, let me go

I tried but could not bring
The best of everything
Too breathless then to wonder

I died a thousand times
Found guilty of no crime
Now everything is thunder

Daytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need the

Got to, got to, got to, got to let me go

Once we were years ahead
But now those thoughts are dead, let me go
(Let me go)
All hopeless fantasies are making fools of me, let me
go

I walk alone and yet I never say goodbye, let me go
(Let me go)

A change of heart, a change of mind
And heaven fell that night, let me go

The best years of our lives
The hope of it survives
The facts of life unspoken

The only game in town
I'll turn the last card down
And now the bank is broken

Found guilty of no crime
They were the best years of our lives
I'll turn the last card down
