Play to win, city club land, theater, dockland
Empty house, no audience
Smiles of fortune, no man master
Play to win and break the bank, play to win

Turn professional, know your job
Be up to every trick
Make a breakthrough, strain your eyes
Have no secrets, hear no lies, play to win

And then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to win

One needs a great deal more than this
Make up master plan
Tension mars the prettiest face
Sex in fairyland, play to win

How can you improve your life,
Obtain the unobtainable?
Boost your health, a giant refreshed
Treat rough, get tough, 10-10, play to win

And then he said, play to win

Did you take a backseat
When your kids were small?
Suit the movement to the word
Reverse and check the action, play to win

Now suit the action to the word
Make every minute count
Match in cunning, see the cars
Step on the heels of chance, play to win

And then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to win

And then he said
Have no secrets, hear no lies, play to win
And then he said
Have no secrets, hear no lies, play to win

And then he said
Have no secrets, hear no lies
