Shame is on the rocks
Guess who's walking in your tracks
(Don't look back)
Forcing you to re-enact

No-one's safe when
Shame is on the rocks
There's no faith when
Shame is on the rocks

Bow your head, you'll hear his call
(Hear his call)
It's such a shame, for one so tall

No-one's safe when
Shame is on the rocks
There's no faith when
Shame is on the rocks

Slower than the second coming
It will happen all the same
Knowing why the spirit's broken

There's no answer, it's too late
On the the rocks or take it straight
No one's safe when shame is on the rocks
There's no faith when shame is on the rocks

Slower than the second coming
It will happen all the same
Knowing why the spirit's broken

There's no answer it's too late
On the the rocks or take it straight
Shame is the one with power in his hand
There he waits, without a plan

But no-one came, it's such a shame
It's the same for you and you and you
There are no chosen few
Who will remain? It's such a shame

It's the one with power in his hand
There he waits, without a plan
But no-one came, it's such a shame

It's the same for you and you and you
There are no chosen few
Who will remain? It's such a shame

It's the one with power in his hand
There he waits, without a plan
But no-one came, it's such a shame
Who will remain?
