Soul warfare

Soul warfare
Soul warfare

If I was someone else
Would you still say what you're saying?
If I were someone else
Would you conscience be straying?

Soul warfare
Soul warfare

It's all that I can do to put my faith in you
It's all that I can give to be a fugitive
It's all that there can be, not wanting to be free
It's all that I can take these fifteen days awake

It's more than I can hide, my needs can't be denied
A million miles or more, can't keep me from your door
There is no place to run until the fightings done
More bloodshed every day, the soul war's here to stay

If I want something more
It could be you who'll be paying
As this is my soul war
These are the rules we'll be playing

Soul warfare
Soul warfare

It's not for you to say
Which district I'll be destroying
You could never know
The tactics I'll be employing

Soul warfare
Soul warfare

You could be part of me
Forget the wealth you're forsaking

Your strategy is clear
My soul is there for the taking

Soul warfare
Soul warfare

It's all that I can do to put my faith in you
It's all that I can give to be a fugitive
It's all that there can be not wanting to be free
It's all that I can take, these fifteen days awake

It's more than I can hide my needs can't be denied
A million miles or more, can't keep me from your door
There is no place to run until the fightings done
More bloodshed every day, the soul war's here to stay

It's all that I can give to be a fugitive
It's all that there can be not wanting to be free
